2008 Accountability System District and School Accountability Ratings

The following alphabetical list shows each public school district's accountability rating followed by the accountability rating of the schools in that district, as well as the district's or school's name, ID number and grade span. For a complete explanation of the 2008 accountability system, see the [2008 Accountability Manual](#). You may also download and print the 130-page [2008 Accountability Ratings List](#), a PDF file.

To locate a school, click on the first letter of the district name and scroll down as needed.
